

The 19th International Workshop on Neutrinos from Accelerators
(NUFACT2017)

Contribution ID: 201

Type: **not specified**

Reducing neutrino interaction uncertainties in oscillation measurements with the E61 experiment

Friday, September 29, 2017 11:30 AM (30 minutes)

Presenter: VILELA, Cristovao (Stony Brook)

Session Classification: WG1+WG2
