

The 19th International Workshop on Neutrinos from Accelerators  
(NUFACT2017)

Contribution ID: 193

Type: **not specified**

## Details of the NOvA oscillation analyses and systematic uncertainties

*Wednesday, 27 September 2017 11:30 (30 minutes)*

**Presenter:** Dr CREMONESI, Linda (University College London)

**Session Classification:** WG1: Neutrino oscillation physics
