

# **Video conference ACS and FREIA**

## **Report of Contributions**

Contribution ID: 0

Type: **not specified**

## **Magnetic insert mechanical studies**

*Monday, 13 March 2017 10:30 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project

Contribution ID: 1

Type: **not specified**

## **Liquid insert manufacturing**

*Monday, 13 March 2017 10:45 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project

Contribution ID: 2

Type: **not specified**

## **Control and command (electric equipment, cabling, sequences, etc.)**

*Monday, 13 March 2017 11:00 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project

Contribution ID: 3

Type: **not specified**

## **Simulator for testing the valve box**

*Monday, 13 March 2017 11:15 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project

Contribution ID: 4

Type: **not specified**

## **Tests for the commissioning at Lery and Uppsala**

*Monday, 13 March 2017 11:30 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project

Contribution ID: 5

Type: **not specified**

## Planning

*Monday, 13 March 2017 11:45 (15 minutes)*

**Session Classification:** Discussion of technical issues regarding the Gersemi project
