

# ARIES Workshop on Energy Efficient RF

## Wednesday, 19 June 2019

### Energy Efficient Vacuum Tube Devices - 10132 Höggsalen (09:00 - 12:30)

-Conveners: Juliette Plouin

time	[id] title	presenter
09:00	[9] IOT as an energy efficient alternative	MARRELLI, Chiara
09:30	[10] Long term experience from IOT operation in the SPS	MONTESINOS, Eric KILLING, Frederic
10:00	[11] Optimization of the HV pulse modulator	MARTINS, Carlos
10:30	Poster Session and Coffee	
11:00	[12] Technical limits of vacuum tube efficiency -> optimum	MARRELLI, Chiara
11:30	[13] Panel discussion: future of vacuum tubes	Dr JENSEN, Erk
